QuickBooks for Mac Conversion Instructions

QuickBooks Mac 2010-2013

Direct Connect to Web Connect

Table of Contents

Introduction

As *Denver Community Credit Union* completes its system upgrade, you will need to modify your QuickBooks settings to ensure the smooth transition of your data. To complete these instructions, you will need your customer ID and PIN.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

IMPORTANT:	This update is time sensitive and can be completed on or after *1/23/2013*

Documentation and Procedures

Task 1:   Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu and use the Search bar available at top. Search for **Back Up** and follow the instructions. The first time you do a backup, QuickBooks will guide you through setting backup preferences.

2. Download the latest QuickBooks Update. For instructions to download an update, choose **Help** menu and use the Search bar available at top. Search for **Update QuickBooks**, select **Check for QuickBooks Updates** and follow the instructions

Task 2:   Connect to Denver Community Credit Union

1. Choose **Banking** menu > **Downloaded Transactions**.

2. Choose *Denver Community Credit Union* from the **Financial Institution** dropdown.

3. Click **Download**.

4. Enter credentials (if required) and click **OK**.

5. Repeat steps 1 – 4 for each account with *Denver Community Credit Union.*

Task 3:   Match Downloaded Transactions

If new transactions were received from your connection, accept all new transactions into the appropriate registers.

If you need assistance matching transactions, choose **Help** menu > **QuickBooks Help**. Search for **Updating Your Register**, select the article with that name and follow the instructions.

Task 4:   Deactivate Your Account(s)

> **IMPORTANT:**   All transactions must be matched or added to the register prior to the deactivating of your account(s).

1. Choose **Lists** menu > **Chart of Accounts**.
2. Select the account you want to deactivate.
3. Choose **Edit** menu > **Edit Account**.
4. In the **Edit Account** window, click the **Online Settings** button.
5. In the **Online Account Information** window, choose **Not Enabled** from the **Download Transactions** list and click **Save**.
6. Click **OK** for any dialog boxes that may appear with the deactivation.
7. Repeat steps 2 – 6 for each account at *Denver Community Credit Union*

Task 5:   Re-activate Your Account(s) at Denver Community Credit Union

> **IMPORTANT:**   You will need your Customer ID and Password for *Denver Community Credit Union* to complete the following steps.

1. Log in to *Denver Community Credit Union's* web site at *www.denvercommunity.coop.*
2. Download your transactions into QuickBooks.

> **IMPORTANT:**   To avoid the possibility of creating duplicate records when downloading into QuickBooks, only download transactions that have not been previously downloaded.

3. The **Account Association** window displays during setup. For each account you wish to download into QuickBooks, click **Select an Account** to choose the appropriate existing account register.
4. Click **Continue**.
5. Click **OK** to any informational prompts.
6. Add or match all downloaded transactions in the **Downloaded Transactions** window.
7. Repeat steps 1 – 6 for each account at *Denver Community Credit Union.*

Thank you for making these important changes!
